## COMMODORE'S CORNER

Please make sure you have 20 November 5PM marked on your calendar for the HYC annual membership meeting. We will have reports from the various committee chairs, election of the 2012 Board, first reading of the proposed changes to the HYC Constitution and By-laws and one change to be voted on from last years annual meeting on the increase of the initiation fee from two years to three years the annual dues. This will be an increase of \$700 for new members. This change does give new members under 30 years old a year to pay this \$700.

Our effort to regain a dredging permit is nearing completion and will hopefully be in place by the time of the membership meeting.

I hope you have had the opportunity to attend some of the informal meetings that have been held to discuss options for the annex. One aspect of this effort seems to be that most all members are in favor of having new bathrooms for the pool area. I do want to thank those who have taken the time and sent me emails sharing your concerns and opinions on the annex both pro and con. We have established the first Sunday of each month at 5 PM as a meeting time to continue these discussions to develop the available options.

The nominating committee has been hard at work to develop a very good list of candidates for the 2012 Board. If you are interested in serving on the Board please let me know and I will pass that information to the committee.

I would like to past on a big "Thank You" to all you wonderful members who continue to volunteer your time and efforts to make HYC such a great organization. Without members who are willing and able to step up to serve, we would be just an empty building with a great view.

Cheers  
JD Rosser  
HYC Commodore 2011

### Informal Membership Meeting

Sundays at 5:00pm, November 6th and December 4th

Informal membership meetings to discuss options for HYC Annex will be held at the club on Sundays, 6 November and 4 December at 5 PM. This is not a special meeting.

The purposed changes to the HYC Constitution and By-laws will be posted on the website and the first reading will be at the 20 November annual membership meeting. There is one change to increase the initiation fee from two times the annual dues to three times the annual dues that will be voted on at that meeting.

HYC Annual Membership Meeting for 2011 will be on Sunday 20 November 2011 at 5:00 PM

Election of Officers and voting on the one change to the By-laws read last year and the first reading of purposed changes to the HYC Constitution and By-laws.

### HYC is looking for a new volunteer to manage the email system for the club. This person would:

1. Manage and post HYC's weekly (sometimes more) emails
2. Manage the email system – payments, updates, spam issues
3. Work with the Membership to keep everyone's email addresses up to date
4. Coordinate web and email updates with HYC web site manager

It is great way to expand your web/email skills. Training is provided. Some computer and web experience is helpful.

This is a year- long commitment – Jan 2012 – Dec 2012, 1-2 hours a week .

Please email Cheryl Hartley if you are interested – [zumzum@comcast.net](mailto:zumzum@comcast.net).
